

Sierra Rose and Bianca Leilani, (BKA, Red Bone Slim) were born in Fort Dodge, Iowa and the big island of Hawaii, respectively. Third and fourth daughters of spiritualist Timothy Casady and artist/teacher Tina Hunter;

"As a Small child," Red writes, "I was carried in a papoose around sacred Anasazi grounds by my mother and her partner, Brooke Medicine Eagle. Periods of my adolescence were spent living in a trailer on the outskirts of Joseph City, Arizona with my father. We spent our time burning ants and hunting rabbits from the burned out chassis of a station wagon. I left at 15 owing to a feeling of alienation caused in part by my reticence towards a formal education. As soon as i was able to garner the necessary means-i sold both dayold flowers in restaurants and expired raffle tickets to the elderly- i boarded a bus north to San Francisco. ~~I finished my schooling at the University of Richmond in Genet, and Conrad, s HEART OF DARKNESS, i~~ ~~finished my schooling at the University of Richmond in Genet, and Conrad, s HEART OF DARKNESS, i~~ i toted around soft paper copies that i scarcely read."
